“If you like your Freedom, Thank a Vet!”

Who we are: Founded in 2014 by a group of concerned military veterans, The Homes4Vets Foundation (H4VF) is a nonprofit, tax-exempt 501(c)3 organization which seeks to eliminate homelessness in the veteran community through a series of innovative cost-effective community development projects beginning here in Southern California as a model, and to then build like communities across the nation.

The Homes4Vets Foundation not only intends to develop and construct these projects, but will oversee the operation and maintenance of these communities, and will help facilitate and integrate the necessary support services that will enable disaffected and displaced veterans the chance to re-engage with society and the economy in ways where they can become productive and self-sufficient enough to live the rest of their lives with the dignity they deserve from a grateful nation.

4CharityBin is also a California 501(c)3 non-profit organization. 4Charity Bin is supporting H4VF by collecting reusable clothing, shoes, bags and other items to rid people of their useable, but unwanted excess items, save the environment, and help global communities where there is a great need for these items. The discarded items are filtered and prepared for reselling and exporting to struggling countries. Thus, green jobs are created here in America and abroad, and at the same time helping H4VF in ending Veteran Homelessness. We are here to help local communities and improve the well-being of people in the U.S. and in impoverished countries. 4CharityBin and H4VF are recognized by the authorities of Orange County and its cities. The organization is assisted by Janette Nguyen, county advisor.

A little about our Founder Chanh Huu 'Tony' Nguyen: Mr. Nguyen has been a preeminent leader of the exiled Vietnamese community of refugees in the United States and other places around the world since the end of the Vietnam War. Mr. Nguyen has a strong desire to help the veterans of the United States and its allies who have fought for, and have been protecting freedom and democracy around the world. His personal experiences as a citizen of South Vietnam, having witnessed the heart-breaking fall of Saigon, the broken promises of the U.S. Government, and his feelings of deep gratitude, especially for the American soldiers who had ultimately been the ones who had borne so much of the burden and sacrificed so much for his own native country (U.S. Casualties as of 8 July 2014: 58,300 KIA and non-combat deaths, 153,303 WIA, 1,641 MIA, and 724-837 POW). As a result of this, Mr. Nguyen now has much concern that what had happened to the veterans of the Vietnam War also not be repeated with the veterans who have returned and are returning from our current conflicts in Iraq and Afghanistan. Mr. Nguyen wants to express his eternal gratitude through the establishment of the Homes4Vets Foundation and 4CharityBins to be a lasting source of assistance for those Vietnam Veterans, and by extension for all veterans of freedom who find themselves in need.

Please consider placing one of our bins at—or near your place of business, your place of worship, or any other location, and help us help those who have served to protect and defend our freedoms who are now in need of our help today.

Please Call: 1-800-221-3233, or Email: [VeteransBin@h4vf.org](mailto:VeteransBin@h4vf.org)

Thank You in Advance for your Consideration!
